

## NVC Introduction

Industrial Partnership Projects in the US (IPPUS), a 501 (c) 3 non-profit (EIN: 84-2962611), is organized by passionate expats like you, in collaboration with Akhuwat, Engineers for Community Welfare (ECW), and Al-Khwarizmi Institute of Computer Sciences (KICS) of UET Pakistan, plans to host a country wide competition among young entrepreneurs. To submit their unique business ideas in approved format for a Platinum, Gold and Silver award, eligible for US \$10,000, US \$5,000 and US \$2,000 no-interest loan, to transform winning ideas into reality.

Competing ideas shall be judged by panel of judges that are completely independent of the above organizations, and have business and industry experience to which the finalist ideas shall pertain to. The winners shall be assigned to a select panel of volunteer business leaders in US, to provide mentoring to the winners and to ensure their success short term and long term. It is an open competition and all those friends who assist and donate in this good common cause, shall be communicated at every stage of competition and the progress thereafter.

IPPUS has support of friends like you, it is time for us all to engage positively to contribute to develop a competitive business echo system that the young minds that hold the future of Pakistan, can benefit and turn their ideas to reality. Team IPPUS has raised \$9,300 so far, this brief introduction and email is intended to seek association from the more likeminded passionate souls. We have taken the first step; we seek your active moral and financial support

in amounts that are easily possible, main idea is to collect drops that turn into a stream. Intension is to increase the amount of each award and repeat this competition at least twice a year. First NVC award is scheduled for May 14, 2022.
